MEMORANDUM FOR: Director of Naval Intelligence

ATTENTION: Mr. I. D. Seelberg, 92221C - c-1

SUBJECT: Data on Submarines, S-446.

*file
folder*

1. Enclosed herewith are the data on submarines requested by Mr. I. D. Seelberg by telephone on 23 April being one page and a table of a study by ONI on the size of the "V" class submarine now being coordinated through the JEC Subcommittee on Shipbuilding for possible issue as a Subcommittee working paper. The data in the table on US Submarines was compiled for comparative purposes. It is understood that these data were desired by ONI for a meeting of the Submarine Panel on 30 April.

OTTO E. GYRE
Assistant Director
